## Cosmetic Medicine

### FACIAL REJUVENATION

*Wrinkle Correction*

#### **Botox®**

*Botox® is a natural purified protein that relaxes the muscles that cause many lines to form on the face.*

One Area (20 U)	<b>330.00</b>
Two Areas (40 U)	<b>600.00</b>
Three Areas (60 U)	<b>740.00</b>

*Additional Botox i.e. for a brow lift, marionettes or chin - charged at \$15 a unit*

*Below is a list of different fillers that work to fill facial wrinkles or folds. They can also be injected into the lips to create fullness and definition. Each of them has a different consistency and it is necessary to make an appointment with Dr. Bitlan to see which will be best for you. Prices are an indication only, final price depends on the procedure.*

#### **Restylane®/Esthelis**

0.5 mL	<b>350.00</b>
1 mL	<b>500.00</b>

#### **Platelet Rich Plasma (PRP)**

*Platelet Rich Plasma is a unique new treatment that uses the patient's own blood to rejuvenate the skin. PRP is blood plasma containing concentrated platelets. These platelets contain huge reservoirs of bioactive proteins, including growth factors that are vital to initiate and accelerate tissue repair and regeneration. These bioactive proteins initiate collagen synthesis and deposition.*

*This augments the skin by improving the skin tone, texture and colour. Marked improvement in the skin condition and overall appearance is expected. Please contact Dr. Bitlan for more information, or visit our website.*
